| OUR ORGANISATION   |  |
| <p>The Transforming Autism Project is a brand-new charity focusing on very early intervention for children with autism. Our goal is to truly transform lives through our life-changing Mifne Treatment Centre (details <a href="#">here</a>) and our unique online Hub of comprehensive guidance, support, education and community for parents of autistic children. We also challenge conventional perceptions of autism and offer our own radical and empowering perspective. This can be seen in our <a href="#">TED talk</a>, which has now been viewed by well over 80,000 people.</p> <p>To find out more about our goals, values and activities, please view <a href="#">our brochure</a>.</p> <p>We are currently at a very early stage in our development, but are looking to make fast progress to make our projects viable and help as many families as soon as we can. To that end, we are looking to create a team of capable and dedicated volunteers to ensure our success.</p> |  |
| ROLE PURPOSE & RESPONSIBILITIES  |  |
| <p>Obviously, whether we are able to achieve our goals depends on the money we are able to generate.</p> <p>In the first instance, we envisage asking for relatively small amounts of money to scope our Hub and develop a curriculum for autism and education professionals to learn how to best recognise and understand the autistic children in our care. We also desperately need to raise money for our ongoing costs. These are currently not enormous, but we are not managing to meet them.</p> <p>We envisage that our main fundraising sources will be:</p> <ul style="list-style-type: none"> <li>• Individual Giving</li> <li>• Philanthropy</li> <li>• Trusts &amp; Funds</li> </ul> <p>We are looking for fundraisers who have some understanding of creating successful results through one or more of these channels and most importantly a passion for what we are trying to achieve and a determination to make it possible.</p>  |  |
